

Development scholarship for student orienteers

- Are you a junior or young senior who wants to develop as an orienteer?
- Would you like to move to Halden and study or further your education at the same time?
- Would you like to be a part of Halden SK's training environment?

If the answer is YES, then our student development scholarship is for you!

Halden SK offers a development scholarship of up to 10 000 kr per semester for young orienteers who have ambitions to develop as elite orienteers. The deadline is 1st May and you can read more about the arrangement below.

Halden Skiklubb offers:

- Development grant of up to 10 000 NOK per semester.
- One of Norway's best training environments for orienteering.
- Experienced coaches and support personnel, including a dedicated paid elite coach.
- Varied orienteering terrain with maps and courses of high quality.
- Help with finding accommodation, including the option to live with other orienteers.

Study options at Østfold University College (Høgskolen i Østfold)

- Study programmes in English and exchange programmes: www.hiof.no/english. Note that some of the courses are in Halden and some are in Fredrikstad.
- "Toppidrettsavtalen" (elite sport agreement) which allows elite athletes extra flexibility for combining studies and sport:
<https://www.hiof.no/tjenester/studenttjenesten/tilrettelegging/toppidrettsavtalen/> (text in Norwegian)
- Application deadline for most studies in English is 1. March.

If you want to live in Halden and study elsewhere, several Norwegian and foreign colleges and universities also offer online studies.

Prerequisites for receiving the scholarship

To qualify for the development scholarship, you must:

- Have ambitions to develop as an elite orienteer
